## Partners for Life

### *Lt. Torres and Partner "Coty" Retire from Police Work*

Over the years, Detective Lt. Bruce Torres of the Rochester Police Department has learned many things about police work.

First, he learned that he loves the job.

Second, although it takes a lot of time and energy, it's always been worthwhile.

Third, nothing enhances the job like a valuable, dedicated partner with which to work.

When asked who he would rank as the best partner he's had during his 20 year career, he doesn't hesitate to answer: "Coty."

Coty isn't who you'd first consider for an ideal police partner. He's a full-bred German Shepherd and a certified K-9 police dog.

But Lt. Torres and Coty have been working together as an active K-9 unit with the Rochester Police department since October of 1990, when Coty graduated from two sets of rigorous physical and bonding evaluations and was finally certified for police work.

For both Lt. Torres and Coty, it was a stroke of luck that they even found each other.

"I've always been brought up with dogs," Lt. Torres said. "My parents always had pet dogs, but I've never owned one myself. So, one day a gentleman from Cape Cod who raised the dog but could no longer handle him approached the Police Department and suggested that he might make an ideal K-9 police dog. I accepted the offer and as soon as the original owner left, Coty immediately took to me."

The immediate bond between Lt. Torres and Coty is crystallized in a series of commendation letters from police officials and dog trainers alike. Over the next year and a half, the two braved rigorous training exercises in order to make sure that Coty was tightly bonded to Lt. Torres, his new master and handler.

Ingrid Hass, DVM at the New England Animal Hospital, expressed in a letter once that

"Coty continued to behave very obediently under Sgt. Torres' handling, which made the visit very enjoyable for all involved."

"I quickly became attached to him," Lt. Torres admitted. "I thank the Lord that the gentleman gave him to me and that the Town of Rochester was willing to give us a chance at working as a K-9 unit."

Over the years, Coty has made five successful apprehensions and has been involved in all aspects of police work — with the exception of drug raids — from building searches to recovering lost children. His training has allowed him to be aggressive and threatening when pursuing criminals, but playful and watchful when recovering a lost child. He would never hurt anyone without a direct command from Lt. Torres.

Part of the standard operating procedure for K-9 apprehensions in cases of a fleeing criminal includes a call for the felon to stop, whereby Lt. Torres would warn that he will release the dog. If the suspect continues to run, then Coty is sent to stop him.

"No one will outrun this dog," Lt. Torres said. "Once he stops you, he'll hold you but won't hurt you unless you try to hurt me."

Lt. Torres is concerned about the image many people have of K-9 police dogs. But, he explained, they are only aggressive when necessary. They are not trained to be totally vicious and attack

everyone. Even when Coty barks if someone approaches the police cruiser, "he's just warning people to keep away from his cruiser — his kennel, so-to-speak," Lt. Torres said.

Working side by side with Lt. Torres in the town's only K-9 cruiser, Coty has earned the rank of "police dog" with pride. According to Lt. Torres, Coty is entitled to a police burial when he passes on — a courtesy which is offered to all police officers.

The ideal two-year working relationship which has been nurtured under the guidance of Police Chief Walter V. Denham has now come to an end in the wake of Lt. Torres' decision to retire from active duty with the Rochester Police Department, effective November 11.

Both he and Coty will go into an early retirement but will remain "partners for life," as Lt. Torres put it. And don't think their tenure of service to the town is likely to be forgotten by them or those whom they've diligently served.

"I've pretty much devoted 99.9 percent of my time to police work over the years," Lt. Torres said. "But I now feel obligated to spend some time with my family and help my brother with the family businesses."

Lt. Torres' grandfather founded Torres & Sons Oil Company and his father founded New England Heating Oil Company, both of which have

been left to him and his brother to carry on.

Citing both his impending obligations to family matters and his health as reasons for leaving the force, Lt. Torres spoke fondly of his duties over the years and readily admitted that although he will miss police work, he's not shutting out all the people he's come to know and love over the years.

"My heart and soul are with the Town of Rochester," he said. "So, although I won't be working in an official capacity, I also just can't close the door and say 'see you later.'"

"I'll still keep active and will remain President of the Rochester Police Officers Association, where I'm a member for life."

He'll also continue in his role as certified self-defense instructor and trainer with the tactical police unit in New Bedford and as a constable for the municipalities of New Bedford, Acushnet, Dartmouth and Fall River.

Part of Lt. Torres' new-found family life will now include Coty, who must remain with him as the sole handler who can master him.

"Coty has been trained to die for me, if necessary," Lt. Torres said. "He could go back to school and be trained to work with someone else, but I wouldn't give him up for anything."

"Besides, at home I'll never have to worry about anyone breaking in and harming either me or my family."

To top off an already-impressive career, last week the Rochester Board of Selectmen conferred the rank of Honorary Lieutenant on him on November 9 for his dedication to the town and the department — only two days before his effective retirement. According to Lt. Torres, it was a true honor and the high point of his career.

"The single most important moment in my life was when my father pinned that badge on me at the Selectmen's meeting, promoting me to the rank of Honorary Lieutenant," Lt. Torres said. "If it wasn't for my family's continuous understanding and support over the years, I could never have achieved my goals."

## Mattapoisett Selectmen's Meeting

November 16, 1992

A special meeting of the Mattapoisett Board of Selectmen was called to order on Monday, November 16 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Paul E. Lambalot, Selectman Daniel O. Mahoney and Executive Secretary Carol Adams.

After approving the minutes of the November 10 meeting and signing payrolls, licenses, permits and bills for the week, Chairman DeCosta cited outgoing correspondence, beginning with notification to Southeast Regional Planning and Economic Development District (SRPEDD) that Barry W. Perkins is interested in serving as the town's representative on SRPEDD's Economic Development Sub-Committee.

As per the request of the Office of Public Safety, the Board of Selectmen certified the appointment of the town's building officials.

Also under outgoing correspondence, Selectmen certified the number of votes counted at the November election for Plymouth County Commissioners.

Chairman DeCosta next cited the November 20 bid opening at 3:00 pm in Town Hall for a replacement generator at the Fire Department.

Under incoming correspondence, notification was received from the Office of the Highway Commissioner relative to the reduction of salt on Route 195 during the winter months. According to Commissioner James J. Kerasiotes, the basic policy of applying 300 pounds of salt per lane mile on certain state highways has been modified.

The section of Route 195 from the junction of Route 240 in Fairhaven (mile marker 27.2) excluding ramps to the junction of Route 495 and 25 in Wareham (mile marker 39.7) including the long ramps at this junction but excluding the ramps leading to Route 240, Route 105 and Route 28 will have an application of one part sand to one part pre-mix (4 parts sodium chloride blended with 1 part calcium chloride) at a rate of 300 pounds per lane mile. This will mean a 60 percent reduction in salt application.

This policy has shown to reduce the intrusion of salt into public and private water supplies and appropriate signs have been erected to alert motorists to change driving conditions in lower salt areas.

Chairman DeCosta next read the following

announcements:

• Shellfish Permits for 1993 will be available for sale beginning December 1 at a charge of \$20. Permit holders 1 - 50 MUST be purchased by January 29, 1993 or loss of permit number will result.

Beach and Wharf permits will also become available for sale in the Selectmen's Office, effective December 1.

• Selectmen have cordially invited all residents to attend the Annual Christmas Tree Lighting to be held at Shipyard Park on Wednesday, December 9 at 7:00 pm. The tree lighting will be held in conjunction with the arrival of Mr. and Mrs. Santa Claus at approximately 7:20 pm. Everyone is invited to join with friends and neighbors in celebrating the holiday season in Mattapoisett Village.

There being no further new business to discuss, at 7:30 pm, members of the Finance Committee (FinCom) and the Board of Selectmen reviewed the warrant for the Special Town Meeting to be held on November 17 at 7:30 pm at ORR.

### Mattapoisett Special Town Meeting November 17, 1992

On Tuesday night, November 17, about 60 voters of the Town of Mattapoisett convened at Old Rochester Regional High School to approve ten of eleven proposed articles during a Special Town Meeting.

With just enough people present to declare a quorum, Moderator Richard W. Blasdale called the meeting to order at 7:35 pm and began proceedings with the Pledge of Allegiance and a traditional moment of silence "for town meeting members departed."

Before tending to the eleven article warrant, Mr. Blasdale introduced town officials who were seated on the stage with him, beginning with the Board of Selectmen: Daniel O. Mahoney, Chairman John N. DeCosta and Paul E. Lambalot, Executive Secretary Carol Adams, Town Clerk Lois K. Ennis and members of the Finance Committee (FinCom).

FinCom Chairwoman Elizabeth H. Kunz opened the session by explaining some of the

proposed articles which would transfer funds from available Free Cash. Ms. Kunz said that although there would only be roughly a \$27,000 balance in Free Cash if all eleven articles were passed, she advised town meeting voters to be aware that the FinCom has also recommended transferring \$20,000 into the Reserve Fund (Article 4) and \$50,000 into the town's Stabilization Fund (Article 5). These combined articles, which account for a \$70,000 transfer from Free Cash, will help alleviate budget constraints in the future.

There being no further questions or comments, Mr. Blasdale introduced Article 1, which proposed to appropriate \$16,606.61 to pay unpaid bills from FY 1992. Outstanding bills the article would provide funds for include the Sanitary Landfill, Town Counsel, Street Lighting and the Police Department. The FinCom recommended that \$15,367.42 from Free Cash and \$1,239.19 from retained earnings of the Sanitary Landfill Enterprise Fund.

Since there was no discussion from the town meeting floor, Mr. Blasdale entertained a motion to vote on the article, which would require a 9/10 vote to pass, by law. The article was readily approved with a vote of 54-1.

Article 2, which proposed to appropriate \$87,637.05 to defray expenses of the town incurred under the General Operating Expenses (Article 2) of the 1992 Annual Town Meeting, was next introduced by Mr. Blasdale. Ms. Kunz moved the article and said the FinCom recommended that \$82,637.05 be transferred from Free Cash and \$5,000.00 be transferred from retained earnings of the Sanitary Landfill Enterprise Fund.

Mr. Blasdale read the list of line item transfers and their proposed amounts and asked that voters place a hold on items they wished to discuss further. The only hold was placed on Line Item 210-51, appropriating \$27,500.00 for Police Expenses.

A gentleman was concerned why this item was being included on a supplemental budget when it was originally placed on the Annual Town

Meeting warrant as an override. Ms. Kunz explained that articles as presented which transfer funds out of Free Cash are not subject to Proposition 2 1/2 overrides.

Another voter wanted to know why the money had to be appropriated at all, especially in these hard economic times. FinCom member Donald Preissler explained that the committee estimated well below the town's actual revenue in terms of both new growth and tax returns. Since there wasn't as much Free Cash to be dispensed at that time, they had to make more conservative recommendations in terms of funding various town departments. "What we are appropriating here is basically money that was left over from FY 1992 which we didn't anticipate in our estimations," he said.

When providing further funding for the Police Department was called into question, another voter reminded everyone that the department lost a healthy chunk of their budget at the Annual Town Meeting in May. "We cut about 25 percent of the police budget," he said. "If we want to continue running the department, we're going to have to appropriate the \$27,000 we cut in May."

After calling for any further discussion from the floor, of which there was none, Mr. Blasdale entertained a motion to vote on the article. Article 2 was also passed, but by a smaller margin of 49-6.

Part-time salary accounts under the Supplemental Budget for FY 1993 was next on the warrant as Article 3. This article proposed to appropriate sums of money to make up for a lack of salary increases which were dispensed to full-time employees for FY 1993. All of the proposed amounts reflect a standard 2.25 percent rate increase in annual salary.

Ms. Kunz moved the article and said the FinCom recommended that \$1,400.00 be transferred from Free Cash and \$166.00 be transferred from retained earnings of the Waterfront Enterprise Fund.

There being no further discussion on the matter, Mr. Blasdale entertained a motion to vote on the article which was passed with a unanimous vote of the town meeting floor.

Article 4 proposed to transfer \$20,000 from

Free Cash to be used as a Reserve Fund by the FinCom in case of future budgetary constraints. Ms. Kunz moved the article and said the FinCom recommended that \$20,000.00 be transferred from Free Cash.

Mr. Blasdale, hearing no discussion from the floor, entertained a motion to vote on the article which was also unanimously passed by town meeting voters.

Mr. Blasdale next cited Article 5 which would transfer \$50,000 to be placed in a Stabilization Fund to help rebuild some of the emergency fund which has been depleted over the last few years.

Ms. Kunz explained that the Stabilization Fund is used by the town for emergency capital reserve fund and requires a 2/3 vote of town meeting to transfer monies out. The laws have changed recently in the state regarding Stabilization Funds, Ms. Kunz explained, allowing exceptions to be made to supplement fiscal budgets, which she vehemently disagrees with. She said this is an opportunity for the town to rebuild the dwindling fund.

Ms. Kunz then moved the article and said the FinCom recommended that the \$50,000.00 be transferred from Free Cash and placed in the Stabilization Fund.

There being no further discussion on the

matter, Mr. Blasdale entertained a motion to vote on the question which was unanimously approved by town meeting voters.

Article 6 proposed to appropriate money from the Sanitary Landfill Enterprise Fund FY 1993 budget to authorize the Board of Health (BOH) to purchase a pickup truck for use by at the sanitary landfill.

The FinCom recommended that \$14,000 be appropriated from the Sanitary Landfill Enterprise Fund FY 1993 Operating Budget to purchase the new truck.

Board of Health Chairman Daniel C. Lee Jr. explained that the article might seem a big misleading as worded in the warrant. He said that the board is proposing to purchase a pickup truck essentially for use by the BOH agent. The truck will be used for the agent's various duties including overseeing of the landfill. Mr. Lee said that in the past the board has never come before Town Meeting to request money before because they were given permission to use their own funds to purchase new equipment as needed.

Now, they wanted to be "open and fair" by requesting permission of town meeting voters. The truck, according to Mr. Lee, would be kept at Town Hall or the Town Barn and would cost about \$14,000 according to quotes solicited.

Mr. Lee also alleviated any concerns that there wouldn't be enough money left in the Enterprise Fund to cap the landfill in the years ahead. He assured voters that they will, in fact, have plenty of money to cap the landfill and get another 10-20 years use out of it.

There being no further discussion, Mr. Blasdale entertained a motion to vote on the article, which was passed with a unanimous vote of the town meeting floor.

Article 7, placed on the warrant by petition, would appropriate a sum of money to print and publish no less than 1,000 copies of the 1991 Annual Town Report.

Charles Morgan of 38 Main Street explained that the article, which he initiated with a petition of

100 resident signatures, would help residents "regain some of the control they've lost as both taxpayers and residents of Mattapoisett in not having an Annual Town Report last year.

"This is the first time since the town was founded that we haven't distributed a Town Report to residents," Mr. Morgan said. "Let's continue what has been a tradition and a very valuable asset to the town."

The FinCom recommended that \$2,500.00 be transferred from Free Cash to print and publish the 1991 Annual Town Report.

There being no further discussion, Mr. Blasdale accepted a motion to vote on the article which was swiftly passed with a unanimous vote of the town meeting floor.

Article 8 proposed to establish a "detail revolving fund" for police officers who perform third party detail work for non-municipal purposes. The recommended \$2,000 would be used to start up a fund whereby officers could be paid for services rendered within a week of duty, without having to wait for up to five or six weeks for payment from organizations like Com/Electric and Com/Gas, who work on monthly billing periods.

Selectman Lambalot explained that this article, which was first recommended and failed as an override question at the 1992 Annual Town Meeting, would allow officers to be paid within a fair amount of time after performing third party detail work. Selectman Lambalot also said that the town has benefited from the work, in that 10 percent of all fees collected are remitted to the Town of Mattapoisett.

Lt. James Santos of the Police Department also said that utility companies, in particular, take up to six weeks to send payment for services rendered. By establishing this fund, it would eliminate an officers' having to wait so long to be paid.

A resident question the measure, saying "I've got nothing against the police department, but if I get a permit in town or have to pay for services, I have to pay upfront. Why can't police officers be paid before the work is done, too?"

Officer Mary Lyons explained that in most cases, the work involves last minute, late night duty when a utility company will call at 2:00 am and they aren't going to have a check ready on the spot.

Lt. Santos agreed, saying most third party detail contractors cannot predict how long or when they are going to need a police detail. Therefore, it

would be impossible for many of them to pre-pay.

There being no further discussion on the matter, Mr. Blasdale entertained a motion to vote on the article, which was passed with a vote of 49-6.

The first of two land gifts began with Article 9, proposing a gift of land from Martin and Kenneth D. Lipman of a parcel of property located off Pico Beach Road. The FinCom referred this article to the Board of Selectmen, whereby Selectman Mahoney asked that the article be definitely postponed since the land in question was no longer being offered to the town. When asked later why the offer was withdrawn, Mr. Mahoney said that it was a "private matter" between the landowners who changed their minds at the last minute before Town Meeting.

### Homelike Atmosphere for the Business Traveler

2 Oxford Street, Fairhaven, MA 02719 • (508) 997-5512

VISA, MasterCard, and American Express accepted

Article 10 proposed to accept a gift of land from David V. and Lois Welch located in the town on the westerly side of Mattapoissett Neck Road for municipal use. The FinCom referred the article to the Selectmen, and Mr. Mahoney took to the microphone again to explain the proposed offering.

Once assured that this gift was, in fact, still being offered, Mr. Blasdale asked for any discussion from Town Meeting floor.

Resident John Atkinson asked if the landowners were offering the property after finding out their assessments were too high and, in lieu of taxes, decided to turn the land over to the town.

Selectman Mahoney said that the land in question was all wetland and was deemed

unbuildable. By not accepting the offer, the land would, in all likelihood, remain unused and the owners would not pay their property tax, thereby incurring lengthy and expensive litigation for the town to take over the property anyway. "The property is not worth a great deal of money," Mr. Mahoney said, "but we'll be saving money if we accept it as a gift of their own free will. We don't solicit these land gifts."

But Mr. Atkinson was concerned that by accepting the property, it would be setting a precedent whereby landowners could easily get out of paying property taxes by donating unbuildable lots to the town.

Another resident agreed with Mr. Atkinson. "I'm sure there will be more land offers as (Selectman Mahoney) stated," he said. "If the assessors don't lower taxes on unusable lots, people will continue to get rid of them."

Daniel J. Bungert of the Conservation Commission asked why the property could not be taken and kept as wetland for conservation purposes.

Selectman Mahoney said that the town can't acquire land except for municipal purposes and by accepting it for that reason, it would leave an option open for future use. By deeming it for "conservation purposes," it would rule out any future development on the lot.

"(The Selectmen) are of the mind that we take the land for municipal purposes and let time take its toll," Mr. Mahoney said. "I see it as a passive holding into a potential active use."

A Mrs. Hathaway moved to amend the article to read "for conservation purposes" instead of "municipal purposes," thereby keeping the property as a wetland area.

The motion was seconded and a passed by a majority vote.

There being no further discussion on the matter, Mr. Blasdale accepted a motion to vote on the article, which was then passed by a majority vote of town meeting floor.

The final article, Article 11, proposed to

"reauthorize" the acceptance of Harvey Orchard Lane as a public way and would authorize the Board of Selectmen to acquire the property by purchase, gift or eminent domain.

The FinCom referred the article to the Board of Selectmen.

Mr. Mahoney explained that the article, which was initially accepted at the Annual Town Meeting, was recommended to be reauthorized by Town Counsel in order to alleviate problems which could arise with abutters' defining the road as a public way. Mr. Mahoney explained that mortgage holders will sometimes have to prove any change in their property values relative to whether the road on which they reside is an accepted public way or not.

John Atkinson asked why the Selectmen are being authorized to "acquire" the property as part of the town by eminent domain.

Mr. Mahoney explained that once the road is accepted, it now has to become part of the town's listed property, so the article must provide the

means by which Mattapoisett would acquire the previously private property.

There being no further discussion on the matter, Mr. Blasdale entertained a motion to vote on the article which was passed with a unanimous vote of the town meeting floor.

There being no further articles to consider, Mr. Blasdale adjourned the Special Town Meeting at 9:02 pm.

## Marion Selectmen's Meeting

November 17, 1992

By Chandra Dewing

A meeting of the Marion Board of Selectmen was called to order on Monday, November 17, 1992 at 7:00 pm by Chairwoman Loretta B. Schaefer. Also present were Selectman Edwin "Ted" Pratt Jr., Selectman James S. Dougall, Executive Secretary Ray E. Pickles and Secretary Helene Craver.

Immediately after the meeting was called to order, Robert Zora from the Department of Public Works (DPW) told the board about the plan of attack for any potential future water contamination. In the event of contamination of the water supply, there will be a specified written form of steps and procedures to follow.

Recalling the accidental discharging of ammonium hydroxide 26 degree liquid into the sodium silicate "N" tank delivered to the Town of Marion not long ago, the counts of poisonous chemicals were very low, there being no cause for serious panic. During any time there could be high counts of chemicals in the drinking water, every area of the public will be notified quickly and efficiently of the necessary precautions to take. The Marion Water Department functioned well at the time of

contamination of the water, protecting the health of the public. They operate on a high standard with zero tolerance measures.

Glenn A. Holloway, Manager of Chemical Distribution at Fall River's Borden and Remington Corporation, took time out to notify the Board of his sincere apologies about the delivery of contaminated Sodium Silicate to the water purification plant. In a meeting held at the Marion Board of Selectmen's office, Mr. Holloway addressed the concerns of Marion residents regarding the unfortunate incident.

The corporation is launching a plan of action to insure that this mishap will not happen again. All tanks being delivered will include tags with the name of the product and destination, only to be removed by the workers at the delivery site. The procedure for receiving product into inventory has been modified to include record keeping, lock-out procedures and work orders.

Also, tank trailers will be washed out prior to pick-up and material from the tank trailer must be sampled by the receiving company. An informational seminar will be held to inform town employees of the proper procedure of the sampling process.

The Board of Selectmen are confident that the corporation was very responsive to the situation and that they will follow up on their promises. As a result, the distressing situation is not likely to

the requirements of the Zoning By-Laws and of the Subdivision Rules and Regulations of the Town of Marion. No building permit for any of the lots within the Marion boundaries can be issued until the ways connected directly to town are physically completed.

The Massachusetts Highway Department is making an effort to reduce the use of de-icing salt during the winter season. Presently, the basic policy is applying three hundred pounds of salt per land mile on certain state highways.

The section of state highway on Route 105, from the junction of Route 6, mile marker 0, northerly to the end of state highway in Acushnet for a length of 9.90 miles will have application of one part sand to one part pre-mix (4 parts sodium chloride blended with 1 part calcium chloride) at a rate of 300 pounds per lane mile.

The section of state highway on Route I-195, from the junction of Route 240, in Fairhaven mile marker 27.2; excluding ramps to the junction of Route I-495 and 25 in Wareham mile marker 39.7, including the long ramps at this junction of these routes but excluding the ramps at the following exchanges; Route 240, Route 105 and Route 28, for a length of 12.5 miles will have application of one part sand to one part pre-mix (4 parts sodium chloride blended with one part calcium chloride) at a rate of 300 pounds per lane mile.

The end result of this process will be a 60 percent reduction of salt during each application. Motorists will be notified of this lowered salt application with posted signs. This policy will be an advantage because it will reduce the intrusion of salt into public and private water supplies.

The Division of Marine Fisheries (DMF) announced that Wing's Cove may be opened to shellfishing based on recent water analyses. All of Wing's Cove will be open to shellfishing on Friday, November 20, 1992 with the exception of the area from the launching ramp to the "no shellfishing" signs at the rear of 122 Register Road. Also, in the area of Clapp's Island commercial shellfishing will

not be allowed.

Under Board of Health business, the Fairhaven Board of Health has planned an informational seminar on rabies to be given by state veterinarian and Epidemiologist Dr. Michael McGuill and Center for Disease Control Preventative Medicine Expert Dr. William Smith. The seminar will be held on Tuesday, November 24, 1992 in the banquet room of the Fairhaven Town Hall from 1:00 to 3:00 pm. All members of the Rabies Advisory Committee, Animal Control Officers, First Responders, Veterinarian Staffs, Medical Personnel and Boards of Health are requested to attend the seminar. The seminar will address questions and concerns regarding animals and human exposure.

There being no further matters to come before the board, the meeting adjourned for the evening.

## Rochester Selectmen's Meeting

November 16, 1992

A meeting of the Rochester Board of Selectmen was called to order on Monday, November 16, 1992 at 7:00 pm by Chairman Harry A. Brown Jr. Also present were Selectman Lorraine R.C. Roy and Secretary Shirley A. Ferreira.

Chairman Brown began by introducing members of the Webelos Pack #30 Boy Scout Troop who were attending the meeting in order to earn their citizenship badges. Present with pack leader David Barker were his son, Bradford Barker, Danny Blanchard and Chuck Viera. Chairman Brown welcomed the scouts and told them if they had any questions, they should feel free to ask. The chairman also introduced recently-appointed Honorary Police Lt. Bruce Torres, who was in attendance.

After approving the minutes of the November 9, 1992 meeting, Chairman Brown went over incoming correspondence, beginning with a check from SEMASS in the amount of \$112,930.30 for the month of October in lieu of taxes.

A formal commendation from Secretary of State Michael Connolly was sent to the board, praising the efforts of Town Clerk Naida L. Parker and her staff for swiftly and efficiently tabulating the

# SELLING?

Home improvements and renovations done to increase return on investment at time of resale have been the focus of many studies by national real estate organizations. Research included time, materials, and professional installation, listed by project in order of return on expenditure at time of sale. The minimum impact of any of the top ten improvements was a shorter time on the market and a price more in line with the actual value of the house.

In every case an interior face lift rated as the number one improvement. Repainting ceilings, walls and trim, wallpapering baths, carpet and linoleum on a typical 3 bedroom 1 1/2 bath home in a middle class neighborhood averaged \$3900 and returned 90% of investment. Additional profits can be attained by doing your own home improvements. Let us show you how easy it is.

results of various elections throughout the year. Mr. Connolly noted that with such a busy year, he was impressed with the town's efficient handling of ballot tabulations.

Notification was sent from the Massachusetts Interlocal Insurance Association (MIIA) informing the board of a change in ownership to Frank B. Hall & Co., Inc. Although the change has taken effect, MIIA has assured the board that the same quality service will be continued. MIIA provides insurance coverage for all municipal departments.

Richard Charon of the Housing Partnership

sent a request to the Board of Selectmen for two members to fill vacancies on the Marion/Mattapoissett/Rochester Housing Co-Op — one from the town's Board of Health and one from the Housing Partnership. Chairman Brown advised anyone who is interested in serving on the commission, especially someone with real estate experience, to contact Town Hall.

A notification was sent from the Southeast Regional Planning and Economic Development District (SRPEDD) regarding a \$39,000 Strategic Planning Grant which has been awarded to prepare an economic development plan for smaller towns in the district.

Chairman Brown next cited a petition from residents on Walnut Plain Road requesting that speed limit and/or slow children signs be posted along the road north of Burgess before the 900 block. About 22 residents signed the petition, claiming that several family pets have been hit by cars along the stretch of road where many children and residents live. Chairman Brown and Selectman Roy took the matter under advisement and have informed both Police Chief Walter Denham and Jeff Eldridge of the Highway Department of the request.

A signed easement from Phil Beauregard granting permission for recording of the Rhodes property was next on the agenda. It was suggested that the easement also be made known to Kopelman

and Paige before proceeding. Both Chairman Brown and Selectman Roy unanimously moved that legal advice be sought in the matter.

Notices for the week included an invitation to the Board of Selectmen to join in the Rochester Police Association's Senior Dinner to be held at Old Colony Regional Vocational Technical High School on November 19 at 4:30 pm. The annual event is to be held in the school's cafeteria and provides dinner for many senior citizens of the tri-town area.

Notification was sent of the next monthly meeting of the Massachusetts Municipal Personnel Association (MMPA) to be held on Wednesday, November 18 at 8:30 am in the Framingham Public Library.

The Department of Public Utilities (DPU) will hold a series of meetings to discuss conservation and load management programs of Commonwealth Electric and Cambridge Electric at 7:00 pm on the following dates:

- Monday, November 30 — New Bedford City Hall
- Tuesday, December 1 — Cambridge City Hall
- Wednesday, December 2 — Barnstable Town Hall.

Selectmen then signed and Earth Removal Permit for Judith Vandal Spirlet of 305 Braley Hill Road to remove 2,000 cubic yards of gravel from her property. The board also granted permission to

disturb the surface of 59 Dr. Braley Road to install a new gas service for George Bonneau.

Chairman Brown next cited a request from Chief Dispatcher Scott Ashworth to appoint Ralph Isherwood as a part-time dispatcher with the town's Communications Department. Chairman Brown suggested that the board might table this recommendation for the present time in order to offer a resident of the town a chance at the position, since Mr. Isherwood is not a Rochester resident. Selectman Roy agreed and the board decided to hold off on appointing anyone to the position for the time being. Chairman Brown also advised that any Rochester resident who might be interested in serving as a part-time dispatcher should contact Town Hall. The position pays \$6.64 an hour.

Town Accountant Claudette Coutu next informed the board that Tuesday, November 24 would be the deadline to submit payroll vouchers in order to process payroll checks by November 30 due to the Thanksgiving holiday. Town Hall will also be closed on November 26 and November 27.

Selectmen also unanimously approved package store openings for every Sunday during the holiday season, beginning November 22 through New Year's Day. Chairman Brown explained that the package stores may open on Sunday at the owners' discretion.

Chairman Brown asked that the classifying of the town's Class II and Class III Earth Removal

licenses be postponed until after the November 18 Special Election, which Selectman Roy seconded and made unanimous.

The board next decided to hold this year's Christmas tree lighting ceremony on Thursday night, December 10 at 7:00 pm.

Rochester's Civil Defense Director Paul Ciaburri sent notification to the board that his department has purchased a new CB radio unit out of available department funds and would like to have the item covered under the town's insurance policy. Both Chairman Brown and Selectman Roy agreed that the radio could be covered under the MIA policy.

Monday thru Thursday 9am to 10pm  
Friday & Saturday 9am to 11pm

Police Chief Walter V. Denham sent a memo to Selectmen to inform them of his intentions in using the now-defunct K-9 police cruiser formerly used by Det. Lt. Bruce Torres and his partner, "Coty." Chief Denham suggested that the cruiser — which is currently stored at his house due to lack of space at the station — be used as an emergency backup vehicle for third-party detail work and transportation. Since the town presently has an insurance policy on the vehicle good through July 31, 1993, both Chairman Brown and Selectman Roy agreed to authorize the vehicle for emergency and/or third-party detail use.

After having gone through all listed agenda items, Chairman Brown expressed his disappointment to Selectman Candidate David L. Hughes in reference to comments made in *The Standard-Times*. Chairman Brown cited Mr. Hughes' statements about the present board's lack of leadership in guiding other town committees.

"I feel that if you appoint a person to a committee, you should let them do their job without intervening," Chairman Brown said. "I was very disappointed with your comments and totally disagree with you."

Selectman Roy agreed. "I have to back what (Chairman Brown) said. I think we could meet more often with some of the committees, but time doesn't allow us to meet with everyone on a regular basis."

There being no further business to discuss, the board voted unanimously to adjourn at 7:36 pm.

## Letter to the Editor

Dear Sir:

Confusing and amusing as Abbott and Costello's "Who's on First" routine may be, it's no match for the Old Rochester High School Athletic Department's game, "Who Gets the User Fees?"

Surprised looks on faces of ORR School Committee members and onlookers at the November 10 meeting indicated the athletic department had some explaining and homework to do on the subject of communication.

It's unfortunate that revelations regarding user fees for participation in athletic programs follow so closely the shadow cast over the success of the boys' varsity soccer performance.

Assumptions of parents and students regarding user fees they had paid for sports participation were slam-dunked right and left as the tapestry began to unravel.

Let me help you  
find a home!!!

**\$137,900.**

**\$165,000.**

6 County Road  
Mattapoisett, MA 02739

**758-4944**

Details about the user fee program came to light as a request was made of the ORR School Committee to institute a formalized junior varsity ice hockey program with all of the (insurance) and financing involved.

Advocates of this program did as advocates for a girls' JV soccer team had done — waited until the eve of the opening of the season to put their plan before the committee, obviously believing it would intimidate the committee to act without delay.

Fortunately, it wasn't love at first bite on November 10. The school committee rightfully asked (for) more time to consider the ramifications of the JV ice hockey proposal, although it did vote, with one abstention to "sanction" the idea — whatever that entails. The Rochester gentleman who abstained cracked the ice under the school's athletic department when he commented that the impression given the school committee that night that there is *no* JV ice hockey program is false.

Parents at the meeting said they paid \$50 (in) user fees for their children to participate in just such a program. User fees for what? The wannabe coaches said they had been working with these JV's free of charge and that they used leftover ice time from the varsity hockey program and played on cranberry bogs. So, fees for what?

These parents also heard that Tabor Academy had offered ice time free of charge on its rink, so they (the parents) assumed money included in the user fee for ice time must have been put aside in light of the Tabor offer. Wrong! The high school principal said there's no money left.

The principal also revealed, which was a surprise to me, that all of the user fees, large or small, were dumped into a general fund and allotted as the powers that be saw fit to the various sports programs. So, the money you thought you paid for your child's chance to play hockey may very well also have helped pay for the expenses of the track team or football program. Did you contribution also help pay for someone the athletic department desired to have in a given sport, but couldn't afford the fee? And, (who's) to say if the money in that user fee pool was spent in its entirety on sports?

A point that came to my mind as I listened to comments at the November 10 meeting was the fact that voters at a Marion Town Meeting voted to send the ORR athletic department a flat sum, so that no youngster from that town would have to pay a user fee. How the athletic department arrived at that amount and how that amount was assimilated into the user fee program, I'm not sure.

Since all user fees — \$80 or \$50 — were dumped into one big pot, why wasn't the fee an across-the-board amount for every sport?

Mismanagement of the boys' soccer season and now this, what I call coverup of the disbursement of user fees tarnishes the image of a fine school.

I couldn't believe my ears when the superintendent said cuts might have to be made in other areas to pay for this JV ice hockey program the school committee "sanctions" — areas, I presume, where funding was restored on the strength of the override proposal a few months ago.

Girls JV soccer proponents and the proponents of a JV ice hockey program each told the committee theirs was the only sport where there was no JV team, of whatever gender. Don't believe it.

I'm sure down the road there'll be requests for funds for JV activity in golf, in tennis, and who knows, even wrestling, if a group of parents thinks that's more important than buying enough textbooks, pencils and paper.

Respectfully,

John Atkinson

Mattapoisett resident

**DEELOB &**

Umbrella, Inc.?

Thanks to the efforts of local affiliates Mary Lou Kobak and Priscilla Thompson, you can take advantage of these special offers each and every week.

Of last week's offerings here in *The Wanderer*, both the daschund and dalmatian were placed in area homes. The "Benji" dog, however, is still available for adoption, along with a new addition — a pure-bred husky with blue eyes.

This beautiful dog is up-to-date on all his shots and needs a home in the wake of his former master's passing on. He's five years old, has not been neutered, but needs a new place to call home.

Catching up on old business, the "southern belle" cat previously offered here has been adopted into a Marion home. This week, the Umbrella is proud to offer a pair of abyssinian kittens, one male and one female, each 12 weeks old. These playful little kittens are just adorable and are ready a waiting along with two sweetheart male orange tiger twins. These are just some of the many adoptable kittens in the Umbrella's growing cache waiting for someone like you to give them a home.

And found several weeks ago in the rear of Cushing Cemetery was a neutered male, gray and white tiger cat with double paws. He's lost his way home and needs his owner to claim him.

If you are interested in these or any other

generational lines, experiencing such isolation? While there are numerous answers to this question, the focus of this week's sermon will be on examining ways in which we can move from building walls to building bridges. "Who is Present in My Life?" will be the title of the sermon. Please join us at our 10:00 worship service.

### Mattapoisett Council on Aging (COA)

#### Fuel Assistance

PACE is taking all applications for fuel assistance this year. No applications will be taken in Mattapoisett. PACE is located in the Tourraine Building at 1162 Acushnet Avenue in New Bedford. It is at the corner of Beetle Street and Acushnet Avenue near Route 18. Hours are 9:00 am - 3:30 pm and the program works on a first-come, first-serve basis. If you have any questions regarding eligibility, please call 999-9920.

#### Thanksgiving Dinner

Once again, Old Rochester Regional Junior High School is sponsoring a Thanksgiving dinner on Sunday, November 22 from 11:30 am to 2:00 pm. Tickets are available for any Mattapoisett Senior who wishes to attend. The Senior Van will be available for transporting to and from the school. Please call 758-4110 if you wish to be picked up.

#### Podiatrist Visit

Dr. Crowe will be at Village Court on Wednesday November 25 at 1:30 pm. Please call and give your name if you plan to see the doctor.

#### Thanksgiving Dinner for Shut-Ins

If you or anyone you know is aware of someone who will be alone on Thanksgiving and would like a meal brought to them, please call the Council. We will have a dinner delivered to them. Call 758-4110.

#### FISH Volunteers

We are in need of FISH volunteer drivers. FISH transports members of the community who are unable to get rides to and from doctor and dentist appointments. If you can help on occasion, please call 758-4110.

#### Holiday

### Mattapoisett Council on Aging (COA)

Meeting Minutes, October 13

Members present: Evelyn S. Pursley, chair; Virginia Morgan, vice chair; Genevieve Waterhouse, clerk; William Armitage, treasurer; George Avila; Natalie Fleming; Helen Richmond; Allen Parker.

The meeting of the Council on Aging was called to order at 10:00 am by Evelyn Pursley. The secretary's report was read and a motion was made to accept the minutes as read.

The treasurer's report was presented by Mr. Armitage. A motion was made to accept the minutes as read and to place on file to audit. Mr. Armitage also took the opportunity to thank the Council for the flowers given to him because of his recent illness.

Nancy Fleming reported that the workshop has made spiders for our Outreach volunteers to deliver

to the nursing home clients.

Evelyn Pursley went over the individual responsibilities of each Council member and asked for any ideas on what our newest members could be in charge of. George Avila is in charge of Commodities. William Armitage is the Council Treasurer. Genevieve Waterhouse is the Council Clerk. Eleanor Lynch, Helen Richmond, and Nancy Fleming are all in Outreach. Virginia Morgan is our spotlight reporter for the newsletter. Mr. Parker said he would be available to fix any telephone for elders if needed. Nancy suggested that someone oversee

the birthday cake list for the High School.

Mrs. Norma DeAngelis has other volunteer jobs and wanted to be able to be helpful to the senior community. She is aware of the needs of seniors as she has an 89 year old father. Evelyn thanked her for her interest and told her we would be in touch.

Mrs. Evelyn Jenks was the next applicant presented to the Council. Evelyn again explained the workings of the Council and the meetings. Mrs. Jenks wondered about the newsletter and where they are distributed. She is a weekend receptionist at Sippican Health Care. A discussion continued on the feasibility of mailing the newsletter to the nursing home's individual Mattapoisett clients. Evelyn thanked Mrs. Jenks and told her we would be in touch.

The Council members voted on their choice between the 2 candidates. The choice of the Council was then submitted to the Selectmen for appointment.

Nancy spoke about FISH being spotlighted along with Norma Holt, Bill and Anna Crampton, John Hall, and possibly Dr. Bonnar. She also suggested that George Avila be on the list. He declined.

Hopefully in a month or so, Tobey Hospital will have scheduled a block of time to receive Mattapoisett seniors for any blood work or other services on a special day. In that way the van will be able to transport these people and the burden will be lessened for the FISH drivers. We then will try and work with getting Doctor's appointments scheduled during the same block of time.

Members of the Friends of the Elderly were in to speak with the Council members. Vivianne Suprenant, Jean Cadden, and a number of other members wished some input into the Seahorse properties either being used for a Senior Center or not. They also wondered about the feasibility of another location for the Center.

George Avila recounted the fact that in long range planning there may not be any Council on Aging funds and that all three senior groups should

get together and plan for the future. Vivianne also asked if she could place an article in the Senior Hi-Lines defining the three senior groups.

Questions on the volunteer sheets that were received by members of The Friends were also addressed. There is an overlapping of volunteer work and Evelyn Pursley stated she would check with the state on how to distinguish the volunteer time.

Virginia Morgan asked about any estimated cost for the repair of the Seahorse building. To date she was told there were none as a decision has yet to be made on whether to use the building or not. They

are in the process of getting the money to hire an engineer.

The Seahorse was donated by Mr. Dunseith and Vivianne explained the terms of the will. The group then left the meeting with an assurance that we will be in touch with them at a later date to address some of their concerns.

Thanksgiving Dinner will again be sponsored by the Junior High School. Fifty seniors are invited to attend. The date is November 22, 1992 and the time is 11:30 am to 2:00 pm. The YMCA has changed their Senior Luncheon day to Thursday as to not interfere with any other schedules in town. The van will deliver seniors if in fact there is a minimum of 6 people.

The meeting was adjourned at 11:30 am.

## Friends of the Elderly of Mattapoisett SHARE Commodities

The Friends of the Elderly wish to remind everyone that SHARE pick-up day will be held on Saturday, November 21 from 12:00 noon to 1:30 pm. You may also register for December at this time. All you need is \$14 in cash or food stamps and two hours of community work for which you will receive approximately \$35 worth of food. You do not need to be a Mattapoisett resident to be eligible.

Future fundraisers include an annual baked goods sale at the school Christmas concert and a family spaghetti supper scheduled for January.

### Mattapoisett Police Department

#### Stolen Property Recovered

Mattapoisett Police have recovered property reported stolen in five separate house breaks. Two adults have been charged as well as three juveniles in connection with these breaks. The house breaks

occurred in the Point Connett and Brandt Beach areas of Mattapoisett. Portable radios, portable CD players, VCR's, telephones, televisions and stereos were among the items recovered.

The adults charged are from Rochester and Mattapoisett. Two of the juveniles charged are from Mattapoisett and one is from Marion. The charges are Breaking and Entering in the night-time, larceny of property over \$250, receiving stolen property, and malicious destruction of property. The investigation was conducted by Sgt. Edwin Pina and Detective Mary Lyons.

#### Police Log

The following listings are for the week of November 8 - November 14, 1992:

#### Breaks

- Industrial Drive — attempted break into business
- Bay Road — break into cottage
- Woodland Avenue — break into cottage
- Black Duck Way — attempted break into cottage.

#### Larceny

- Bay Road — larceny from cottage.
- Acushnet Road — larceny of trash barrel.

#### Vandalism

- None reported.

Major credit cards accepted.

We take special orders for those hard-to-find titles.

## Book Reviews

### *Irresistable Impulse:*

*A True Story of Blood and Money*

• Robert Lindsey, Simon & Schuster, \$22

Even without lingering over the bizarre and lurid details that made the 1983 murder of Monika Telling a feast for the British tabloid press, *Irresistable Impulse* is a gripping, sometimes puzzling, and often unsettling account that turns out to be as much a cry for victims' rights as the story of a true-life fairy tale gone wrong.

As seen through Robert Lindsey's long lens, however, the story of the whirlwind courtship, the idyllic beginnings of married life, and the slow, excruciating deteriorating relations between Michael and Monika that takes up the first half of the book have a certain painful inevitability that should inject a large question mark into the current debate over family values.

### *She Needed Me*

• Walter Kirn, Pocket Books, \$20

Walter Kirn is a cocky first-time novelist. He has taken an explosive issue — abortion — and forced it, with satirical intent, into the cramped confines of what the critic Sven Birkerts calls ranch-house realism.

*She Needed Me* is one of those artificial logs that burn with a sinister greenish flame: domestic napalm.

Kirn walks a tightrope from the beginning of the novel. He wants to satirize the Conscience Squad without alienating the reader's sympathy for Weaver (the novel's main character). Kirn is seeking what America has proved incapable of finding — a middle ground both ethical and reasonable between a woman's rights and a self-evident wrong.

Reviews reprinted from Baker Books' BookPage, used with permission.

## YMCA Youth and Family Center — Mattapoisett

### Pilgrim's Pot Luck Dinner

On Friday, November 20 from 6:00 to 8:00 pm, the YMCA Youth and Family Center will kick off this festive season with an evening of good food, friends and fun. Everyone is welcome. Please bring your favorite covered dish of six to eight servings to be shared with the group. Come dressed as a pilgrim, if you like.

The cost for this event is \$2, adults; \$1, children (12 and under). Call the Center office at 758-4203 if you have any questions.

### Senior Luncheons

The YMCA Youth and Family Center at Mattapoisett will be hosting Senior Luncheons every Thursday from 11:00 am to 1:00 pm. All area seniors are invited to drop in and play cards, read the newspaper, knit, work on a crafts project or just visit with friends. A nutritious lunch will be served at noon.

A donation of \$2 for members of the YMCA, \$4 for non-members is requested. Please call the Center Office at 758-4203, for more information.

### Family Nights

The following are dates of upcoming Family Nights at the YMCA Youth and Family Center in Mattapoisett. Everyone is welcome. There will be refreshments, prizes, fun and excitement for all. Prices and event times may vary, so please call the Center Office at 758-4203 for a program brochure:

• Friday, November 20 — Pilgrim's Pot Luck Dinner

• Friday, December 11 — Christmas Open House.

### Adult Lecture Series

Following are some of the upcoming topics scheduled in the YMCA's Fall Lecture Series. Each lecture costs \$3 for members, \$5 for general public.

• Tuesday, December 1 — Focus on History. Thomas Wally will present "Life Aboard a Whaler."

• Tuesday, December 8 — Focus on Personal Finance, with James Hughes, who will discuss personal investing.

## Workshops

• Saturday, December 5 — Massage from 10:00 am to 1:00 pm. Debra Gottfried, Certified Massage Therapist, will teach the specifics of massage techniques to relax the head, neck and shoulders. \$25, members; \$40, general public.

• Saturday, December 12 — Gingerbread Houses for Youth from 9:00 am to 11:30 am. A special class where children learn how to make gingerbread houses.

## Aerobics Classes

The YMCA Youth and Family Center at Mattapoisett is starting off the fall "get back into shape" season by offering Aerobics Classes on Monday, Wednesday, Thursday, from 7:00 - 8:00 pm.

The small classes have experienced instructors who lead you through a variety of aerobics and strengthening exercises. The participant chooses whether to follow at a high or low impact level.

## Yoga Classes

The YMCA Youth and Family Center is now offering Yoga Classes on Monday, Wednesday and Friday at 10:00 am. Classes are led by certified yoga instructor Shelley Lang. Join our enthusiastic group and learn yoga postures that can reduce the effects of stress in your life. Men and women of all ages can feel the benefits of the practice of Yoga. Please wear

### Mattapoisett PTA

A meeting was held on November 10 of the Mattapoisett PTA. Principal Bill Reed thanked Cindi Bobola and her committee for the Book Fair at Old Hammondtown School, which was a huge success.

Principal Reed requested funds be appropriated for a pilgrim from Plymouth Plantation to visit the fourth grade classrooms to prepare the students for their field trip prior to their visit to the plantation. The motion was accepted by all members present.

Volunteers are still needed for Santa's Workshop on Sunday, December 6 from 1:00 to 3:00 pm at Center School. If anyone is interested, please contact Debbie Jones at 758-4576.

Plans are still in the works for Old Hammondtown sweatshirts. An agreement will be reached by the next PTA meeting.

An increase in the Arts and Humanities budget in the amount of \$1,000 was granted by all members present.

The topic of the Center School playground regarding the best way to maintain the safety and upkeep of the equipment and grounds will be continued until the December meeting at which time

Mr. Andy Santos, Associate Superintendent for Business, will be present.

The PTA granted a request for Mrs. Proctor's kindergarten classroom.

Principal John Murphy's request for an increase in Mrs. Perry's Visiting Artist program was allowed. Mrs. Murphy also received information on two other grants from the Massachusetts Cultural Arts.

We encourage all parents to join us for the next meeting of the PTA to be held in the Center School cafeteria on Tuesday, December 8 at 7:00 pm.

## Rochester Council on Aging (COA)

### Grocery Shopping

The COA van will take seniors grocery shopping on Monday, November 23. Shopping day is moved from Wednesday for that week only, because of Thanksgiving. Please call 763-8723 to reserve your seat.

### Happy Thanksgiving

The Board and Staff of the Rochester COA wish everyone a Happy Thanksgiving. The COA office and the Senior Center will be closed for the holiday and the Friday following (November 26 - 27).

### PACE Fuel Assistance

Applications for fuel assistance are now being accepted. Please call the COA for an appointment with Joseph McCarthy, Intake Counselor at 763-8723.

linen, china, furniture. 763-8356. 12/11

A powerful prayer to the Holy Spirit -  
Holy Spirit, you who solve all problems, who lights all  
roads so I can attain my goal, you who give me the  
divine gifts to forgive and forget all evil against me and  
that in all instances of my life you are with me, in this  
short prayer, to thank you for all things and confirm  
once again that I never want to be separated from you,  
even in spite of all material illusions. I wish to be with  
you in eternal glory, thank you for your mercy towards  
me and mine. The person must say this prayer for three  
consecutive days. After three days, the favor requested  
will be granted, even if it may appear difficult. This  
prayer must be published immediately after the favor is  
granted without mentioning the favor. Only your initials  
shall appear at the bottom. J.M.C. 11/20

21 North Street, Mattapoisett

November distribution day is Saturday, November 21 from 12:00 noon to 1:00 pm at the Town Hall. Doors will open at 11:45 am. There will also be a pre-registration for December's SHARE package on that day. Regular registration is Monday, December 7.

Please note: distribution is one week early this month (third Saturday instead of fourth) so that you will have your food for Thanksgiving.

The Rochester COA hosts a SHARE-New England site at the Rochester Town Hall. All residents are encouraged to participate in this unique program to lower food costs and build community support. For \$13 and two hours of community service, each participant receives a monthly package of frozen meats and fresh fruits and vegetables worth \$30 - \$35.

For further information about SHARE, call the COA at 763-8723.

### Joy to the World Fair

The First Congregational Church of Rochester will hold its "Joy to the World Fair" on Saturday, December 5 in the vestry of the church from 9:30 am to 3:00 pm. The fair will include a variety of holiday gift items, including crafts, knits, candy, old lace, stocking stuffers, plus a grandma's attic. A luncheon of Kale soup or Beef stew plus sandwich and dessert will be served for \$4. Come and enjoy our country setting and meet old friends while making new ones. The First Congregational Church is located on Route 105 in Rochester.

### Newspaper Recycling

The next collection of newspapers for recycling will take place on November 28 and November 29, sponsored by CLEAN, Inc. of Rochester. The newspaper must be tied in bundles and will be taken across from the Rochester Town Hall between the hours of 9:00 am and 1:00 pm. All are welcome to drop off newspaper for recycling. For further information, contact Marilyn Flood at 758-2137.

annual Sippican Choral Society's Christmas Concert being held again at Tabor Academy's beautiful Wickenden Chapel on Spring Street in Marion. The event will take place on December 6 beginning at 4:00 pm.

The concert this year will be presented in two segments. The first will feature "In Ecclesiis" by Gabrielli and "Gloria" by John Rutter. The second segment will feature a number of specifically selected pieces, some sung a capella and some accompanied by the brass orchestra, "A Touch of Brass," with organ.

Conductor of the over 80 member chorus is Peter West of Mattapoisett. Corine Peck is the accompanist.

Tickets, at \$6 per person, are available from Choral Society members as well as at The Bookstall in Marion, Mattapoisett Pharmacy and Jay's Drugs in Wareham. Tickets will also be available at the door on the night of the performance.

has been associated with the parish since the summer.

Portico reaches out and acts as a doorway for the members of the area Portuguese community to provide services and support without a language barrier. There will also be Holy Communion at both 8:00 am in the chapel and 10:00 am in the church with coffee served in the Parish Hall after both the 10:00 services.

The traditional St. Gabriel's Fair Noel will be held on Saturday, December 5.

### ■ **About Free Radicals**

Free radicals are highly reactive metabolites of oxygen

They are formed during the normal metabolism of carbohydrates, fats and proteins into energy and tissue

Environmental pollutants, smoking, radiation, sunlight, exercise and stress can increase the formation of free radicals

Free radicals are highly toxic and can damage cells when the body's defense mechanisms are overwhelmed

### ■ **About Antioxidants**

Antioxidants are compounds that scavenge or block the generation of free radicals

Foods containing antioxidants such as fruits and vegetables appear to protect against free radical damage

Unfortunately, only 9% of American adults consume live servings of fresh fruits or vegetables a day

So most Americans do not obtain adequate amounts of antioxidants

### ■ **About ONDROX™**

ONDROX™ is a 41-component multi-antioxidant nutritional supplement

The ONDROX™ formulation was specifically designed to help the body optimize its resistance to the effects of oxygen free radicals

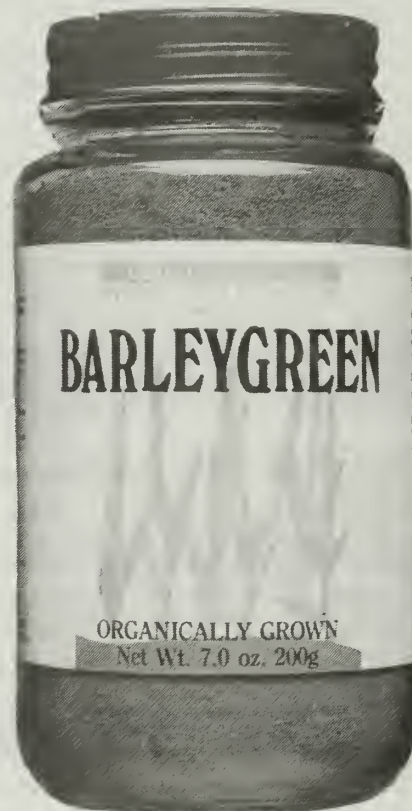

SUSTAINED RELEASE  
**ONDROX™**
